### **CELEBRATE GIRL CHILDREN: STRONG GIRLS, STRONG WORLD**

The annual day Programme for the pre-primary section was organized on 9<sup>th</sup> Nov 2018. The theme was to celebrate Girl Child; their power and immense strength. Hon'ble Minister Shri Mevar Kr. Jamatia and Smti

Geeta Debarma were the Chief guest and Guest of Honour for the day. They were highly impressed with the mesmerizing performances of the toddlers and were appreciative about the capability and smartness of the anchors.

With much joy and enthusiasm the talented tiny-tots from Nursery to KG II presented their dance items. The dazzling display of dances by children with perfect steps to the tune and rhythm kept the audience glued

to the stage. There were lots of excitement and enjoyment among the guardians and the guests. The hall was packed full to capacity with the guardians, their family members and the special invitees. The function commenced with a prayer dance invoking God's presence. It was heartening to see the little colourful kids from different sections performing cheerfully on various bollywood songs. The children of KG II portrayed the theme; 'unity in Diversity', 'we will care for Mother Earth' and our theme for the year, 'celebrate Girl Children' which indeed

united the audience in the auditorium and definitely they will continue spreading the good vibes of unity and love among their near and dear ones. The message was beautifully conveyed and showcased through their meaningful performances.

It was indeed a splendid moment for Auxilium as our Honourable guest applauded the school for its all round success and development. He also wished a better future for the confident and valiant students. This was followed by the vote of

thanks and the National Anthem. It was an exhilarating morning for the parents as they were overwhelmed with happiness and joy after witnessing the beautiful performances of their daughters.
