

“CELEBRATING THE GIRL CHILD”

“Smiling face of every little girl is the signature of God’s presence”

24th January, 2019

National Girl Child Day 2019 has been celebrated on Thursday, 24th January. The day is celebrated to illustrate the theme “Empowering Girls for a Brighter Tomorrow.”

And keeping this in view, we the empowered Auxilians had committed and participated in that great event wholeheartedly. First of all, The day started with the morning prayers to seek the blessings of the Almighty. Then, we sang the song “WE CAN ACHIEVE” - “I’ll fly as high as I want to fly” this song empowers us and makes us realize that ‘Yes nothing is impossible for us, we can achieve and we will achieve’.

Women do cry sometimes, sometimes meek and submissive. But once ignited and

motivated , they are much more stronger than men. So, to ignite and motivate, the thought for the day was given. A short speech was delivered by Debadatta Biswas and Bidisha Bhaumik, to empower Woman, who is a full circle , within her is the power to create , nurture and transform. The speech exposed the real power of a woman to change the world in a better way. Priya

Debbarma (our school vice captain) updated us with the current and latest news headlines. There is a lot of difference between the primitive and the modern society in terms of woman education, their upbringing and their freedom to choose their career, our school students; Sohani and Sristi highlighted the practical issues wonderfully . This was followed by honouring ceremony; roses were given to our all the beloved sisters, a lady teacher, a student representative and a female support staff representative, as a token of love, respect and gratitude for their tireless dedication and commitment.

Our beloved Director Sr. Celine D’cunha’s motivating, inspiring magical words, “Not only

we who received the roses, but also you, my dear AuxiliansYou are our future, you are our Auxilians....You are smart, classy and empowered, future generation needs empowered and strong girls like u. It’s your day, the day for all the girls, mothers, ladies and women. Celebrate it...Be Strong “makes us proud as a

girl child. We the girls are more than eye candy and male intentions. The future generation needs us and it is our duty to walk hand in hand and empower each other.
