## THEME: 'AWAKENING JOY IN THE CLASSROOM'

### Staff Enrichment Programme: June 10 and June 11, 2019

A two day Staff Enrichment Programme was held on 10 and 11 June in the school hall and started at 8 am. Our beloved Director, Sister Celine D' Cunha welcomed the guest of honour, teachers from various schools and the non-teaching staff. The topic was on. Presided over by a resource person Dr. Pulak Bhattacharya where teachers, sisters and staff actively participated in the programme. It was sponsored by Madhuban Publications. Our beloved Director, Sister Celine Cunha began the programme by introducing Professor Pulak Bhattacharya to all. The distinguished persons were felicitated with a bouquet of flowers. A short introductory speech was given by Dr. Pulak Bhattacharya and he started the day on an enthusiastic note.

He stressed on the need for joyful learning which provokes a higher feeling of pleasure associated with higher amounts of dopamine in the brain. This results in motivation, attention, perseverance and curiosity when dopamine is elevated. He gave us tips on 'How to make the students happy in the classroom' We later had an elaborate discussion on 'The theory of Multiple Intelligence' which suggested that all people have different kinds of 'Intelligences'. Several activities were given to the teachers to perform like 'Kick the Soccer ball', 'Score a Goal', 'Dream buy game' all of which would help students learn lessons differently with a hint of fun. The programme concluded on a happy note thanking Sir Pulak Bhattacharya for his motivational talk and the successful completion of the programme.

The second day started with the elaborate discussion on how to enhance the personal and professional growth of teachers. Teachers and sisters actively participated in the programme. Our beloved Director Sister Celine D' Cunha interacted and discussed the planning for the academic year till September where information was given for the up-coming events in the school so that we may plan and perform our duties to the beat of our

ability.

Sr. Albrida Pyngrope concluded the programme highlighting the need of effective management of the school in order to function and provide a better educational experience to students.
